Kentalis - GGMD - Trajectum - ESMHD

February 7-9 th 2024, Haarlem, The Netherlands International congress

### 'Joining forces, New perspectives: the Future of Mental Health for Deaf people'

Please save the date for the congress 'Joining forces, New Perspectives: The Future of Mental Health for Deaf people'. On February 7-9th 2024 in Haarlem, The Netherlands.

This international congress explores the cornerstones on which to build the best possible mental healthcare for all Deaf people. Including Deaf, Hard of Hearing, Late deafened and Deafblind people, and their families, as well as for hearing children of Deaf adults.

You can follow plenary keynotes by international experts in the field and join panel discussions with them. And sign up for workshops, and much more!

#### **The central themes of the congress are:**

- The promotion of access to mental health and wellbeing services;
- Building together on the quality of care and prevention of mental health problems for Deaf, Hard of Hearing and Deafblind people of all ages, and their families. And for hearing children of Deaf adults.

Let's look into the future of Mental Health for Deaf people together.

The congress will be held in Haarlem, The Netherlands. More details about the congress, the program and how to register will follow soon.

Please block these dates in your calendar. We look forward to meeting you at the congress in Haarlem, on February 7-9th, 2024.
